

Hello LHP Homeowners,

They're here! The 2023 Residence Passes (parking stickers) are now ready. You may come and get yours at RBCC Reception anytime the building is open and you may start using your 2023 sticker immediately.

- Maximum 2 stickers per unit are available to unit owners. (Cardboard passes are available for any extra vehicles.)
- When you come to get your vehicle pass, we ask that you bring for each vehicle: make & model / vehicle colour / licence plate number. (If you have it on a piece of paper, even better! This prevents difficulties trying to be understood through a mask and plexiglass.) Having your information ready will make the process go much more quickly and smoothly.

Thank you for your co-operation!
