

**LIGHTHOUSE POINT
SHARED FACILITIES/COMMON ELEMENTS
RULES**

MARCH 2023

LIGHTHOUSE POINT SHARED FACILITIES COMMON ELEMENT RULES

The following rules have been constituted by the Shared Facilities Committee and must be observed by all Owners, their families, guests, visitors, domestic staff, agents, tenants and/or anyone occupying a unit with the Owner's permission. The term "Owner" where it appears in the subsequent rules shall include all of the above parties.

It is the Owner's responsibility to ensure that all parties are familiar with the rules and adhere to them. Any and all damage resulting from a breach of the rules including the cost of repair, whether caused by negligence or accident, will be borne by the Unit.

Lighthouse Point Community is a multi-condominium corporation project. According to all Condominium Corporation Registered Documentation, units are for single family usage.

1. Emergencies

- a) Contact E & H Property Management AFTER HOURS emergency line at 705-441-5920 (or office at 705-445-1636 during regular business hours) for security to be contacted. This service is only to be used for serious noise infractions or issues concerning security, break-in, etc. It is not to be used for minor infractions of our rules and regulations. This is not to take the place of 911.

2. Vehicles/Parking/Garages

- a) Car washing shall not be permitted anywhere except the Maintenance Building during regular business hours.
- b) No vehicles allowed other than regular family passenger vehicles permitted in the common parking areas.
- c) No motor vehicle, other than a private passenger automobile, station wagon, 4-wheel drive for personal (*not commercial) use or family van, shall be parked in any parking space except when the operator of such vehicle is on delivery, or a contractor is on site completing repairs within the Corporations. In particular, no trailer, boat, hover craft, snowmobile, mechanical toboggan, seadoo, machinery or equipment of any kind shall be driven or parked anywhere on the property, provided that this restriction shall not apply to the storage of any such item in the unit owners' garage with the garage door in a fully closed position. The exception being the trailering of boats to the launch ramp or RBCC parking lot for short-term storage. The manager may cause any such vehicle or equipment left on the property to be removed therefrom at the owner's expense.

(*including commercially lettered or signed vehicles)

- d) No repairs other than minor emergency repairs may be made to any motor vehicle parked or left standing upon the common elements.

- e) A motor vehicle shall not be driven on any part of the common elements at a speed in excess of the posted speed limit. Also, a motor vehicle shall not be driven on any part of the common elements which has not been designed for the passage of motor vehicles.
- f) No owner shall store any private passenger automobile, vehicle or equipment, whether posing a safety or security risk or otherwise for an unattended stay of more than thirty (30) days, it being acknowledged and understood that, without limiting the generality of the foregoing, "winter" storage of motor vehicles on the property constitutes the breach of this Rule.
- g) Mandatory Vehicle Identification
All vehicles parked on LHP property must display identification issued in accordance with policies established by the SFC. Vehicles without identification may be subject to Municipal enforcement measures including removal from the property. Vehicles includes anything licenced to travel on Ontario highways. Trailers attached to tow vehicles do not require separate identification. Exception is made for vehicles making short term delivery or pick up.
- h) Enforcement of LHP Parking Rules using Municipal Measures Approved 'In Principle':
The issuing of Municipal infraction notices by Municipal Law Enforcement Officers, LHP Security contractors or PM staff to vehicles parked on LHP property in contravention of vehicle identification policy as established by the SFC.

3. Pets

- a) No pet that is deemed by the Board, Shared Facilities or Management to be a *nuisance shall be kept by any resident of a unit within the property.

(A pet will be declared a nuisance if a third, bona-fide written complaint is received. The complaints must be in regards to separate incidences. The pet owner or designate will be notified after Management receives the first written complaint and in this notice the owner will be made aware that if a third written complaint is received the pet will be deemed a nuisance.)

- b) 'Stoop & Scoop' rule will be strictly enforced.
- c) One (1) pet per residence permitted.
- d) Pets are not to be leashed or tied up to any part of the common elements.
- e)
 1. Pets are not permitted on the beaches or stairs leading to the water at any time except under this Rule.
 2. Pets may access the beach shoreline and water through two (2) pathways, described as:

- a. Pathway 1: Generally described as from the Rupert Bronsdon Community Center parking area, along the rear of the waterside racquet sports courts, between the kayak racks and into the space between the Light House Point and Rupert’s Landing shore protection revetments. This pathway is further depicted by red arrows in Schedule “A”.
 - b. Pathway 2: Generally described as from the perimeter pathway down the extreme westerly Light House Point shore protection revetment, immediately west of the putting green. This pathway is further depicted by a yellow line in Schedule “B”.
3. Pets may be off leash only when in, or immediately adjacent to, the water. Owners must maintain control of their pets when off leash.
 4. At all other times, and while on any other part of the property, pets must be leashed and under control their owner. Owners are responsible for all damages that the pet may cause.
 5. Users with pets must give users without pets the right of way on the two (2) pet pathways under this Rule.
 6. Owners and their pets must follow all other rules and restrictions pertaining to pets at all times.

SCHEDULE “A”

SCHEDULE “B”

4. Garbage Disposal

Waste removal at Lighthouse Point is done by private contractor; municipal, and county rules and procedures do not apply. Only domestic household waste will be disposed of by LHP.

With the implementation of the Molok system, waste will be collected in three streams: organics, recyclables, and garbage. Removal from site of all other waste generated by unit owners, their tenants, or contractors is the responsibility of the unit owner.

Property management will, at minimum annually, update guidance on waste permitted to be disposed of in LHP waste bins. Property management may permit placement of collection bin(s) for the purpose of collecting deposit-bearing containers on written request from a Corporation Board or recognized civil society group. Permission may be withdrawn at any time.

Property Management may authorize and specify means of special collection for items which cannot be placed in waste stations.

Removal of large household items and contractor items are owner's responsibility for the cost of removal. Owners are responsible for ensuring that large items are taken to the Collingwood Landfill site:

470 10th Line, Collingwood, ON L9Y 3Z2
Phone: 705.735.6901

Rules – Molok waste disposal system

- a) Waste must be deposited in the designated waste station bins or at special collection points specified by Property Management.
- b) Only specified items which can be placed in the waste station bins or are part of a special collection will be deposited of by LHP. Placing unwanted items anywhere else on the property, including adjacent to the waste stations, is prohibited.
- c) Hazardous Waste (paint, lubricants, batteries, etc.) is not to be deposited in the waste stations.
- d) Person(s) identified as placing items where prohibited will have the cost of collection and disposal, minimum \$100.00, added to their associated unit common expense charge.

5. Drones

Given that laws and regulations are constantly changing, all recreational drones and similar remote-operated devices operated on the property must comply with **all** Transport Canada regulations and any other applicable laws and regulations.

As indicated by Transport Canada: The purpose of the Interim Order and other Transport Canada regulations is to ensure aviation safety, which includes protecting aircraft in the air along with people and property on the ground. Drone operators must comply with all applicable laws and regulations, including privacy and trespassing.

Exceptions may be allowed subject to approval by the property manager.

As an example, current (October 2017) regulations are as follows (any updates will apply):

- Fly your drone:
- below 90 m above the ground
- at least 30 m away from vehicles, vessels, and the public (if your drone weighs more than 250 g up to 1 kg)
- at least 75 m away from vehicles, vessels, and the public (if your drone weighs more than 1 kg up to 35 kg)
- at least 5.5 km away from aerodromes (any airport, seaplane base, or areas where aircraft take-off and land)
- at least 1.8 km away from heliports or aerodromes used by helicopters only
- outside of controlled or restricted airspace
- at least 9 km away from a natural hazard or disaster area
- away from areas where operation could interfere with police or first responders
- during the day and not in clouds
- within your eyesight at all times
- within 500 m of yourself or closer
- only if clearly marked with your name, address, and telephone number
- "Built-up areas" are considered areas with groups of buildings or dwellings, including anything from small hamlets to major cities. Anything larger than a farmstead should be considered a built-up area. Note that two or three buildings alone would not constitute a built-up area but the stand-off distances of 100 ft (for

1 kg or less) and 500 ft (for greater than 1 kg) would have to be respected to stay away from buildings, structures, vehicles, etc.

- b) No longer than 30 minutes per activity. During busy times please limit your use.

28. Internet Issues

- a) No excessive downloading of movies and videos allowed.
- b) SFC is not responsible for the internet malfunctioning.
- c) Use of the password to access Wi-Fi is to be kept confidential.
- d) SFC reserves the right to change the password at any time.

29. Code of Conduct/Violence Policy

It is expected that interactions and dialogue between residents, and between residents and property management (including the front desk Greeters) will be conducted in a civil, collegial and respectful manner.

- a) Any threats from a resident/guest will be reported to the O.P.P. for intervention. That owner will be suspended from direct contact with the office, and all correspondence

may only be done in writing, until such time that the property manager deems that the situation has been resolved. Threats can include direct verbal abuse and intimidation (perceived or real) by any person against any other resident, management staff, contractor, or Lighthouse Point employee.

30. Safety

- a) All residents, guests and tenants are to conduct themselves in a way that they are safe and that will not harm any other person. If any resident observes something that could be a danger, then that hazard must be reported to the property manager immediately so that the situation can be remedied.
- b) In order for Lighthouse Point to be an all-inclusive community, these rules have been written to include all family members; however, all Residents shall indemnify and save harmless the Boards of Directors, Shared Committee members, the management company, and all the management personnel from any and all claims, actions, obligations and liabilities arising out of damages or injuries to persons or property in or about the facilities, except in the case of default of duty or gross negligence, fraud, illegal or dishonest act or intentional harm on their part.

31. General

- a) No one shall uproot existing plants, hedges, shrubs, trees, or plant new shrubs, hedges or trees anywhere including those parts of the common elements over which exclusive use has been given to one or more without the prior written approval of the Board of Directors. The Board of Directors will determine if the request needs to be approved by the Shared Facilities Committee.
- b) No fireworks or open fires allowed on the beach areas or any other part of Lighthouse Point.

Basic respect and common courtesy for your neighbours will ensure that Lighthouse Point is a harmonious and peaceful community.
